Property Directory

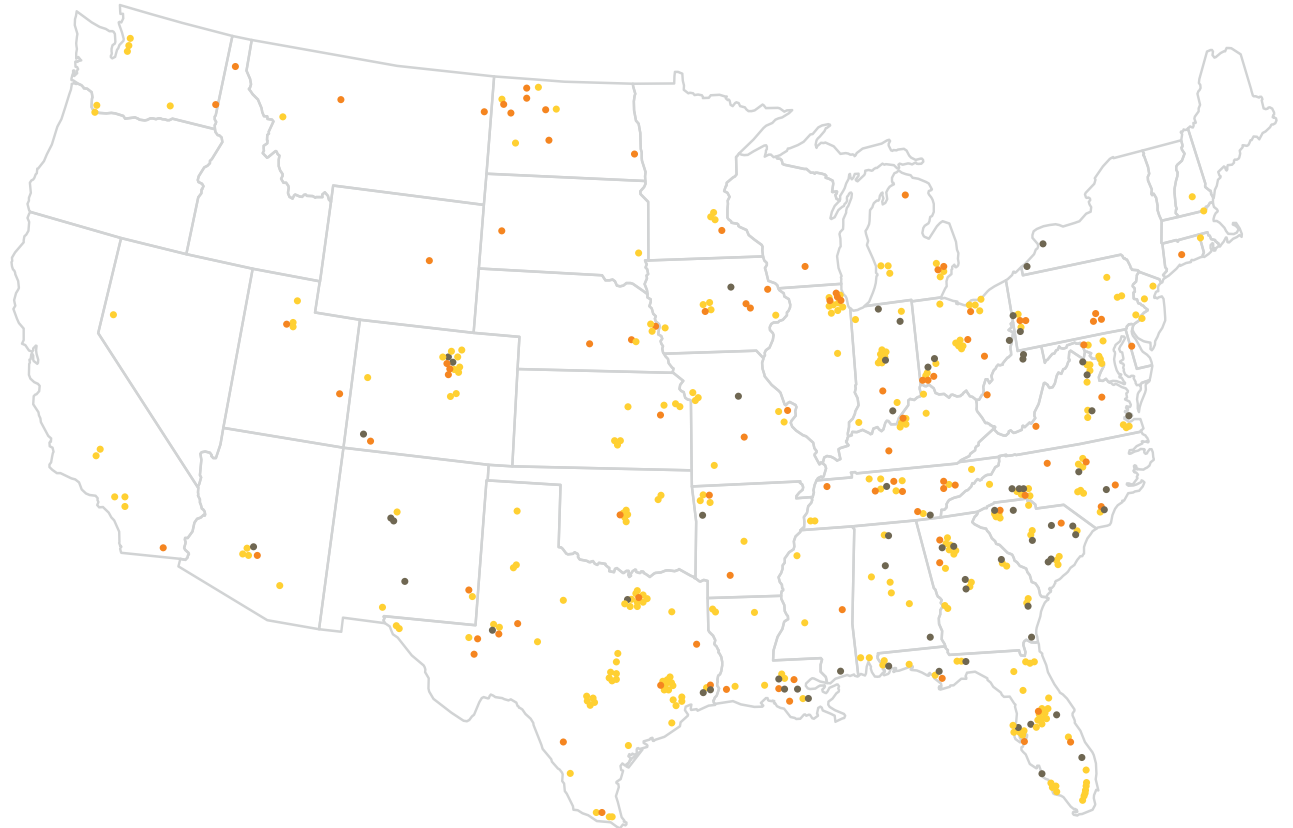

Our flexible cancellation policies and cleaning best practices are designed to give you peace of mind. With our new Commitment to Clean initiative, we've built on our longstanding dedication to cleanliness with enhanced protocols for cleaning, disinfecting, hygiene, and social distancing.

Following the CDC's latest updates to public health guidance for fully vaccinated individuals, Choice Hotels is no longer requiring the use of face coverings in hotel common areas. However, face covering requirements may vary by location as hotels continue to comply with state and local requirements, health ordinances and other regulations. We appreciate your support in helping to protect the safety of hotel guests, employees and visitors.
